

Minutes of MVFD to Mike Solomon

The chairman called a meeting of the dance group on January 26, 1961 at 10pm during a regular folk dance session. The meeting was called to discuss a possible Philippine Week-end with Mrs. Aquinos. Mrs. Aquinos is sponsored by Folk Dance House and will be in this country March through August of '61.

Mildred Preis made a motion to have Mrs. Aquinos here for a week-end sometimes in March. The motion was seconded by Paul Spangler but did not pass when put to a vote.

There followed a discussion of the summer months for a week-end. The subject was dropped without any real decision being reached by the members present. Paul Spangler offered to write to Folk Dance House to clear some dates Mrs. Aquinos may be available in the summer.

A motion was made and carried to not undertake a week-end for this spring. Since Grace will be out of town for the last of April and all of May, members feel a week-end would be too much to prepare for at this time and certainly not while Grace is away.

Meeting adjourned.
