

Minutes of Council Meeting of Miami Valley Folk Dancers held on 25 January 1963, 8:00 pm at the Manny residence, 3873 Riverside Dr.

Those present were: Florence Seger, Chairman; Rosemarie Dennehy, Treasurer; Mitzi Manny, Secretary; Libby Ogden; Caroline Stovall and Grace Wolff.

The evaluation sheets which were filled out at the Annual Meeting of 20 January 1963 were discussed at length. Fifteen sheets were received from the 31 members who attended the annual meeting. It was decided that this poll was as representative as any we would be likely to get from the membership. The general concensus was that the Thursday night program format is satisfactory; however, there were some helpful comments and suggestions.

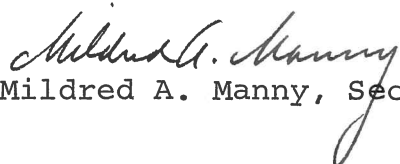

It was decided to produce a monthly newsletter in which there would be announcements as necessary and notice given of the dances to be taught in the period from 8 to 9 pm during the coming month. This newsletter will be brought to the first meeting (Thursday night) of the month and distributed to those members present. The rest will be mailed to absent members.

Caroline Stovall suggested that a sheet be posted weekly on which the dances taught and done during the Thursday evening would be written. This, all agreed, was a good idea; and Caroline was appointed to take care of this job. When Caroline is not present another member of the Council will attend to doing this.

Decorations, menu and other details of the Dunsing weekend (23 and 24 February) were discussed.

Meeting was adjourned about midnight.

Respectfully submitted,

Mildred A. Manny, Secretary
