

Council Meeting Jan '71

Organizational meeting of the new 1971 Council was held at the home of Rose Anna and Dick Mills, Jan. 18.

Unanimously agreed on these officers: Madge Hart, chairman; Florence Seger, vice chairman; Wayne Cheek, treasurer; and Kenneth Steed, secretary.

Some past Council minutes were reviewed for actions taken.

Secretary directed to send copy of minutes of annual meeting Jan. 10 and fill in form of new officers to Mr. Thomas, City of Dayton. It was understood a copy of financial report had already been sent to him.

There was doubt that a copy of latest "Method of Operation," adopted May 22, '69 had ever been made for each member.

It was noted that past club action had authorized reimbursement to any member for expense incurred for any approved club activity. All agreed this would cover toll telephone calls necessary for club purposes, and that the treasurer had club authority to pay for them.

Council felt that Program Committee should be more insistent that dances taught be included in following programs for an unspecified number of weeks and that leaders be told beforehand, if possible, to include those dances the Committee was concerned with at the time.

But Council felt last year's program practices had been good and programs had been satisfying. Committee assignment of leaders was left to their discretion.

Council voted to replace Florence Seger with Vera Fisher on Program Committee. Other program members: Marj Hunter, Dick Mills, and Ken Steed.
