Dear Mr. Pappas:

WPTD and WPTO, Channels 16/14, are planning an exciting community "happening". It's a public television auction, scheduled for October 20 to 23.

To inform as many people as possible about our plans and to explain how a public television auction works, we have established a volunteers' Speakers Bureau.

One of our trained speakers will be happy to talk to your organization for approximately 5 - 15 - or 30 minutes. We hope you will be able to include our presentation into your program schedule sometime between now and mid-October.

Public Television is a true asset to our region. We're sure your group will be interested in the community impact of the Auction.

To book a specific date, please call me at home, 299-5929, or leave a message for me with Phyllis Estep at Channels 16/14, 298-9500. I look forward to hearing from you soon.

Sincerely,

Bessie Lee Shropshire
Chairman, Auction Speakers Bureau
