

DUFFY'S is located in the center of Denver's exciting hotel and convention district. Frank and Ken Lombardi are your hosts when you visit Duffy's. Famous for it's old fashion food, prices and for it's very special Irish Coffee. Duffy's is well known from L.A. to Dublin.

Duffy's is a must when you visit Denver and a habit when you live there!

Dear John:

Thanks for ad. It came in nick of time, but added four more pages to VILTIS once again.

Yes, our printer could typeset the ad, but we have no Hebrew letters. Of course, when you all compose the ad then it is the way you want it and I don't have to worry whether you will like it or not.

Thanks again, and much success with workshop.
Happy Dancing
