

Feb. 22, 1979

Jeanne Gulden's house.

Program committee will meet March 19 and Jeanne will have a report then.

Charlie will teach his dance to the club during program time so club will know it before going to Tri-City and to give Charlie practice in teaching.

After much discussion it was decided to charge \$2.00 for each teaching session and \$3.00 for the evening party for the Sibyl Clark workshop. Full workshop cost will be \$7.00 for guests and \$5.00 for members.

A letter from the Miami Valley Dance Council asked that each club have member representation on some committee of their new organizational plan. Hulon volunteered to be on the Danver/Community Relations committee. This was accepted by the council.

Fall workshop needs to be decided upon. Council decided to survey the club as to their interest before setting this.
