Fall workshop--- Survey results showed the club to be interested in the following traditions:

1. International
2. French-Canadian
3. Russian

Council decided to ask Ann Ballinger to be in charge of the Workshop and to choose between Mary Ann Herman or Bea Montrose with Mary Ann being first choice.

Program committee-- Jim Woolley is moving out of town. Council agreed to ask Ken Steed to replace him. Also Ann Ballinger's term on the comm. expires July 1. Council voted to ask Grace Wolff to take her place.

The letter nominating Grace and Bill Wolff as Dance Couple of the Year for the Miami Valley was written by Hulon Shows. He asked Carolyn Stovall to review it and make any changes. She will do this along with Nance Hyll's help who will do the typing.

Council decided to use Hulon's survey of the first 15 dances most often used in programs as our contribution to the dance program at Tri-City.
