TO: MIAMI VALLEY DANCE COUNCIL MEMBERS
FROM: GEORGE & PAT BAVER
Short and Long Range Planning Committee
SUBJECT: Dancing Future

The Executive Committee of the Miami Valley Dance Council wants to be of service to you and to your group. To do this, they have appointed different Committees for a variety of areas. The area that we have been assigned is short and long range planning.

As you know plans can not be made without ideas and that is what we want from you. We have some ideas, but you are out there wanting and needing, and maybe the Council can help.

We want ideas and the desires from dancers, clubs, callers, cuers, and anyone interested in improving and promoting dancing for fun and socializing.

We can not guarantee that all ideas and suggestions will be accomplished, but we guarantee that all will be reviewed and presented to the Executive Committee.

The ideas that we want are to be in a working range of accomplishments of one (1) to five (5) years and one (1) to ten (10) years. Let's all look to the future and see where we want to go and proceed to do so.

List your suggestions in the priority that you or your Club would like to see them accomplished and send them to:

George and Pat Baver
2165 Knoll Drive
Dayton, Ohio 45431

The future of our dancing pleasure will go in the direction you want it to only if you help it go your way.

We are envied by many other areas by what our accomplishments are, but we are not the best yet, but we will be, because you will make it happen.

Please send your ideas and suggestions by August 15, 1979, so that they may be presented at the September, 1979, Council meeting.
