

Miami Valley Folk Dancers

NEWS UPDATE

July 30, 1979

ETHNIC SUNDAY - August 12 - Hungarian

ANNUAL CLUB PICNIC at Hart's - August 26

Bring a covered dish, table service, chairs and card table if you have them. Meat, soft drinks and coffee will be provided.

Double up with some dancing friends as parking space is limited.

In case you've never been to the Hart's, take I-75 South to Springboro exit, Route 73. Turn left on 73 to center of town to the traffic light. Turn right at the traffic light to Factory Road and then right on Factory Road to #2625. It's on the left.

OR take Route 741 out of Dayton to Springboro through the traffic light to Factory Road.

Sam and Ann Ballinger are in charge.

Many, many thanks to the Harts for opening their yard and home to us.

KDI-Twenty-seven of our folk dancers will be in attendance this year at Kentucky Dance Institute at Morehead. We'll miss your dancing feet next week, but we hope you come back with lots to share.

Fall Workshop with Mary Ann Herman! November 3 and 4. Mark your calendars now. Ann Ballinger is chairman.

Spring Workshop - Lou and Nancy Hyle, chairmen, have already made contact for a French-Canadian workshop. They hope to have this confirmed shortly.

Miami Valley Dance Council - The big news is pavilion improvements.

As we announced earlier, a cleanup day took place recently with Hulon Shows and Charlie Castellano working for our club. One of the dreams of this committee was to spark up the men's bathroom. Being much aware that other pavilion clubs have made singular contributions such as new refrigerator and floor repairs, your council agreed to purchase and hang wallpaper and fix new light fixtures for this bathroom. The total expenditure will be around \$100 to \$150.

A new Michael Solomon Support Committee has been activated as an "ad hoc" committee to the Miami Valley Dance Council. The chairman of each group dancing in this pavilion makes up the committee membership. This committee will concern itself with major pavilion improvements. The main one being considered right now is exhaust fans in the roof. The installation of the fans has already been approved by the city and will be installed by the city as soon as type of fan and method of payment has been decided upon by the cooperating clubs. We will keep you posted!

HOT SUMMERTIME DANCING requires that our dancing apparel be considerate of others. Men usually wear regular shirts to absorb perspiration.
