Dear Frantisek:

Greetings from Dayton, Ohio.

I danced at the workshop you taught at Indiana University September 1979 prior to your return to Prague. It was a very rewarding experience.

We spoke about the possibility of your teaching for the Miami Valley Folk Dancers in Dayton, Ohio, when you return to the United States.

Will you please write to tell us when you will again be in the United States and on what dates you will be available to come to Dayton. Also, please state your fee per session.

Please send your communication to:

Mrs. John Pappas (Carole)
3017 Rahn Road
Dayton, Ohio 45440
U.S.A.

She is the chairperson for our dance group.

May this find you well.

With best wishes,

(Mrs. William H. Wolff)

P.S. Last Sunday I had a nice conversation with Miss Kish, who danced as your partner at Indiana University.
