

NOVEMBER, 1980 MVFD NEWSLETTER

Toni Francis was with us on October 25. A great workshop! Thanks to everyone who supported it. The workshop was well attended, and you'll be interested in knowing that we did not lose money. Toni enjoyed working with us.

Please keep your calendar open for March 21 and 22, 1981 with Dennis Boxell. He has introduced many dances to the U.S. folk dancers.

Our club was the recipient of two records donated by two of our members. Steeds donated "Grosser Wirbel" and Ballingers donated "Red River Valley." Thank you very much. Now we can have these on our programs.

The November ethnic Sunday will be international, and several of the dances taught by Toni will be reviewed. Roseanna Mills will have a sign up sheet and would like for you to designate whether you are bringing a vegetable, dessert, etc. so that she can plan a balanced meal.

The Sauerkraut festival was very nice. Our demonstrations were the best we have had in a long time. The program was well balanced, and the dancers had a lot of fun. This time it didn't rain.

The picnic at Leona's place ^{was} well attended. I didn't go, but have been told there was so much fun doing other things that there wasn't much time for folk dancing. Can you imagine that from MVDR's??????

The next council meeting will be held Tuesday, December 9. If you have items for them to consider, inform one of the council members.
