

SPECIAL MEETING MVFD COUNCIL

A special meeting of the Miami Valley Folk Dance Council was held at 8:00 p.m. Thursday evening, February 23, because we had been advised that Karen Gottier was double booked and would be unable to teach our Swiss-Austrian weekend May 5 and 6.

Carole checked and found Morry and Nancy Gelman of Laurel, Md. would be available to teach that weekend. They have taught German-Swiss-Austrian dances for 35 years. They would be willing to come for \$100.00 plus their plane fare. Ann Ballinger checked and found a Piedmont flight which would be direct for them for \$219.00 each, making a total cost for the Gelman's of \$538.00. This would be very little more than we would have paid Karen Gottier.

Tri-City will be held April 7 in Columbus. They want to know who will teach for our group and it was decided to ask Harry Khamis. We are to have a total of 25 minutes teaching time. If Harry is unable to teach that day, we will ask Joanne Dombrowski or John Pappas. Columbus also requests we submit 15 request dances for on the program.

Meeting was adjourned.

Respectfully submitted,
