MVFD NEWSLETTER

IMPORTANT! This will serve as your official notification of our annual meeting which will be held January 13, 1985 at 3 o'clock. There will be request dancing before and after the meeting.

There have been no proposed revisions in our Rules and Regulations. As stated in them, however, a two weeks' notice is required before membership can act upon them. If you have a proposal, please put it in writing right away, or give to me in time for the necessary notification.

Two council members' terms will expire in January. They are John Puterbaugh and myself. You might want to be thinking about people you would like to nominate for these vacancies.

Again, this year our New Year's Eve party will be held at Dot Santi's home, 201 Enfield Rd. in Washington Township. It will begin at 9 o'clock and is free to our members. Guests and non-members will be charged \$3.50. B.Y.O.B. If you have not already signed up indicating that you are coming, please do so. The sign-up sheet will continue to be on the counter for the next two weeks. Sam Ballinger has maps to Dot's home, should you need one.

We were sorry to hear that Henry Stovall's father passed away. Our condolences to the Stovall family.

Since writing the last newsletter, a very dear member of ours, Jeanne Gulden, passed away. Jeanne did many "behind the scenes" chores for our club -- such as typing the cards for the computer printout, an excellent job up-dating our records file, cleaned the records, typed the blue cards for the taped dances, and numerous other duties. Also, she taught us many dances. We will miss her.

Reminder -- get any address and/or phone number changes to Sam Ballinger right away, as he is working on a revised membership roster.

Alexandru David recently contacted us concerning a Russian workshop. We have tried for the past few years to get him to conduct a Russian workshop for us, but to no avail. Now he has offered to do a Thursday night mini-workshop for us for only \$100 plus bus fare from a nearby city. Since our club voted to have only one workshop a year, we decided to take advantage of his offer, but at no charge to our members. It will be February 13, 1985 from 7 to 11 P.M., and there will be very few chores for our members to do. We are not going to advertise the workshop, but if a non-member hears of it and wants to come, he or she will be welcome. Associate members will be charged 50¢, and guests will be charged \$3.00. Joanne Dombrowski and John Pappas are co-chairing the workshop.

Our big workshop for 1985 has yet to be finalized. We are still awaiting word from Yves Moreau. I called him in November, and he is to get back with me shortly.

Michael Solomon night was a huge success. Grace Wolff, with the help of many others, had everything in order. It was fantastic! Thanks to Grace and all her helpers.

The last Thursday in December will be our party night. All members are asked to bring a snack so that there will be loads of food. Hot and cold drinks will be provided by the club.
