Mr. John Pappas, Chairman

3017 East Rahn Road

Dear John:

As I have mentioned to you in passing, we would like to invite the Miami Valley Folk Dancers to participate in this year's Family Fest at St. Joe.

We are scheduled for the Festival on Sunday, June 22. Performances will begin at approximately 12:30 p.m. and continue through either 6:30 or 7:00 p.m.--depending upon the number of groups that would take part.

We are again looking for a program that will run at least 30 minutes and, if necessary, this year we'll see to it that we will leave up to an hour, if any group should desire that much performance time.

I originally was somewhat reluctant to ask our group to join us, especially since I don't want it to be a favor to me particularly.

But, I do want to encourage the group to consider whether or not they would like to participate--I'm sure everyone likes the opportunity to perform a few times each year.

We will have everything available, as we did last year, perhaps a location within the center of the festival to get more response.

I would like to hear whether or not the group is willing to take an active part by the end of May so that we can make our plans accordingly.

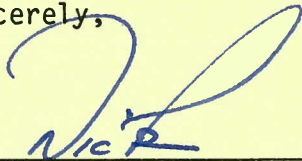

If the group should decide to join us, you might be able to select the time that would be most convenient for everyone to perform--I'll try to keep that open.

John Pappas--2--May 5, 1986

We've asked Lou Hyll to assist me in contacting other groups and I'm pleased that we can have a member of Miami Valley Folk Dancers taking an active role in this year's festival.

Best wishes.

Sincerely,
