Dear John,

Greetings to you and all our friends in  
Dayton. Nicolaas has just returned from a very successful  
week at the Idyllwild Folk Dance Camp in South California where  
he taught some of your favorite dances! He is looking forward  
to teaching at Moshe Eskayo's International Folk Dance Camp  
in Pawling, N.Y., August 12-17, and has been invited to teach  
at the Richland Folk Dance Festival in Washington State, October  
4 & 5. He will also be going back to California to lead this  
year's Kolo Festival in Berkeley, November 27-30.

In other words, Nico is on the move!! You  
know as well as I how merited his success is and we think it is  
time to heighten his profile, at least from the publicity angle.  
To accomplish this, I would like your help in the following way:  
would you please write a letter on behalf of your club to Nico,  
indicating how you feel about him, his teaching techniques, his  
dances, etc., for our use in future publicity campaigns?

We will really appreciate your time and  
cooperation and look forward to seeing you again soon! Meanwhile  
enjoy your dancing and your summer!

Sincerely

Maki Kabayama
