Dear Miami Valley Folk Dancers,

By now you have probably heard about the broken water pipe that flooded the dance floor at Solomon Pavilion last week. We were notified on Wednesday that we could not use the Pavilion on Thursday. We tried to contact everyone about a temporary change of location - - and almost succeeded. If we did not reach you, we're sorry ( especially if this caused any inconvenience).

It will take several weeks to repair the damage to the floor. So for the next two weeks, February 5 and February 12, we will be meeting at the First United Church of Christ, 321 Edgar. The schedule remains the same. We hope to return to the Pavilion on February 19. We will try to keep you informed of the progress of the repairs each week at announcement time. But please feel free to call me (878-0386) or Sam Ballinger (256-4137) to verify the location on February 19.

We will also be using the church for the POLISH ETHNIC SUNDAY on February 8. So bring a covered dish and your own table service, and enjoy an afternoon of Polish dancing. Request dancing will begin at 2:30. Teaching will begin at 3:00. Everyone is welcome. Please do come!

Hope to see you on Thursday!
