Dear Folk Dancers,

In 1952, under the direction of Michael Solomon, the present Miami Valley Folk Dancers began as a class, open to singles as well as couples. My enthusiasm ran high but I never dreamed that I'd be welcoming you to our 35th anniversary weekend!

We are asking both Dick and Jane to help us celebrate because each of them did five very popular workshops for us during the 50's and 60's. Jane with her "Share the Fun with Everyone" philosophy brought us a wide variety of dances, while Dick shared with us his authentic Balkan repertoire and style and his charm!

We owe much of our success and program to these excellent teachers, still number one in their respective fields. For us who have known them it will be a beautiful reunion, and for others, a rare folk dance experience to treasure. Join the fun, It's for everyone!

As always, *Grace* (Wolff)

P.S. We will carefully use and return to you any memorabilia you care to share. We will especially welcome pictures and letters from friends and former Miami Valley Folk Dancers who cannot join us. Please send them to Sam or Grace by November 1. Thank you.

* (Barring unforeseen job commitments)
