

Miami Valley Folk Dancers Newsletter
January, 1988

Do you know everyone's name who dances with us on Thursday evenings? If not, everyone probably doesn't know your name either. Please wear name tags.

THANK YOU! Each year our club is required to thoroughly clean the pavilion one time. Many thanks to the following people for cleaning the pavilion in January for our group:

Charlie Krainz	Ed Anderson
Sam Ballinger	Mary Hill
Jim Woolley	Dot Santi
Don Eltzroth	Peg Eltzroth

I understand they would not have done a very good job if it had not been for their "straw boss" Charlie Castellano.

At the annual meeting on January 10, Joanne Dombrowski and Sam Ballinger were reelected and Leslie Hyll was elected to council. Louise Van Vliet and Dick Clair were hold overs from the previous year. The new council met and the following officers were selected:

Louise Van Vliet - chairperson
Leslie Hyll - vice chairperson
Joanne Dombrowski - secretary
Sam Ballinger - treasurer
Dick Clair - member-at-large

On January 11, the council met to select committee members, discuss potential workshops, and establish catastrophe lists:

1. Committees

A. Program-

Lee Moser - carry over member from last year, her term will be through June, 1988.

Majorie Rodgers - will replace Lee Moser, her term will run from July 1, 1988 - June 30, 1989.

Leslie Hyll will serve as liason from Council to the Program committee.

C. Kitchen-

Among other things, Leslie will keep the MVDC hotline up to date. Hotline number is 294-5511.

D. Representative to Dance Council-

E. History-

Joanne Dombrowski

Please give any pictures, articles etc. to Joanne that you want to donate to the club.

F. Tape-

John Pappas

Louise Van Vliet

We plan to include videotaping dance instructions. Sections of the 35th anniversary workshop were videotaped. Members are invited to borrow this tape.

2) Workshops

Members are asked to vote for their choices of proposed workshops. Please return the enclosed ballot to me no later than next Thursday.

3) Catastrophe lists

In the event that dancing is cancelled or location is transferred due to inclement weather or broken water pipes that flood floors, council members will be calling you. Please be sure we have your correct address and phone #. If we do not get in touch with you, call the hotline for information.

On January 21, MVDC will select the honor roll couple of the year.

Miami Valley Folk Dancers Trivia

Each month the newsletter will contain trivia questions about members and associate members. There will be a trivia contest from January - September, 1988; anyone may enter. The two people with the most correct answers to the trivia questions during that period will receive free registration at our workshop. In the event of a tie, the winners' names will be drawn from those tied. You are encouraged to discuss questions and answers. If you are competing, hand in each month's answers to me by 9:00 p.m. the week following the delivery of the newsletter. All questions will be written in the singular, however, for some questions, there may be two or more answers required. No partial credit given.

Please keep me posted on any information to be shared through the newsletter. My plan is for a newsletter to come out the second Thursday of each month. I am making a special request for interesting trivia either about yourself or other members of our group. (Carole Pappas wanted you to be sure to know that I plan to follow her excellent example of a monthly newsletter.)

When your new Dayton phone directories come out, I hope someone will save two of their old directories for me.
