

Special Meeting of the Miami Valley Folk Dance Council

A special meeting of the Council was held on Thursday, February 4, at 7:30 at Solomon Pavilion. Attending: Sam Ballinger, Joanne Dombrowski, Leslie Hyll and Louise Van Vliet.

Council briefly discussed the possibility of participating in the 1991 Square Dance Convention. No definite plans were made. It was agreed, however, that the Miami Valley Folk Dancers would present a 15 - 20 minute performance at the 1988 Convention on May 7. Ann Ballinger will coordinate this performance. Also discussed was the possibility of a performance on Courthouse Square on the afternoon of May 7th, provided there are enough volunteers.

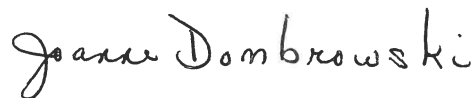

It was further decided that John Pappas and Genny Shimer be contacted regarding the possibility of presenting a workshop sometime during the next two years. In the event that John Pappas declines, we will contact Ando Czompo or David Henry (in that order). The alternate for Genny Shimer is Yves Moreau with the understanding that he present both Bulgarian and French Canadian dances. If John Pappas agrees to a 1988 workshop then we will also plan a contra mini-workshop for 1988. John Pappas will be asked to contact John Pappas of California, and Leslie Hyll will contact Genny Shimer.

It was announced that Lee Moser will serve as Chairperson of the Program Committee. Future ethnic Sundays will be

March - Israeli  
April - Tri City Preview  
May - English  
June - Romanian  
July - USA

Meeting adjourned at 8:15.

Respectfully submitted,

Joanne Dombrowski, Secretary
