To encourage a more festive mood at the evening's party, we are offering a \$1 rebate off the package price (or 50¢ off the party price) to those who vow faithfully to attend the party **IN COSTUME** (folk, period, martian, etc.)! **WARNING: THIS PRACTICE MAY PROVE ADDICTIVE, BUT IS NOT HAZARDOUS TO YOUR HEALTH.**

\* Dinner will be a full-course ethnic extravaganza prepared by that epicure extraordinaire, that vizier of victuals, that mage of mastication known from coast to coast: me. Miss this, and your stomach will never forgive you.

For more information, contact Betzy (or any other Distelhorst) at 513/531-3937 between 3:30-10:00 pm. Call any later and I'll poison your dinner.
