

Miami Valley Folk Dance Newsletter

Attached is a list of **Ethnic Sundays** for the remainder of the year. You will, of course, want to put these on your social calendar. Note that the **July Ethnic Sunday is American**. So find your best picnic dish and come and join the fun. New members and those working on membership are particularly encouraged to attend. Ethnic Sundays provide a great opportunity to learn dances --and to get acquainted. Non-dancing spouses and friends are welcome for dinner.

The Program Committee is willing to duplicate copies of dance instructions in the MVFD collection upon request. The charge would be the cost of copying. If you are interested in written instructions for a particular dance contact Ed Anderson, or any member of the Program Committee.

Please be sure to save the second weekend in November (Sat. Nov. 12 and Sunday Nov. 13) for the **Romanian Workshop**. Mark your calendars now -- before you purchase those theater tickets and concert tickets for the Fall.

Day in the Park will be held on Sunday, August 7. Leslie Hyll will be organizing our annual folk dance demonstration at this event. Most probably we will select some fairly familiar dances to present--and practice them on several preceding Thursdays. If you are interested in participating, see Leslie Hyll. (If you contact her now you may even have some influence on the dances that are chosen.) Further details (time, place etc.) will be announced soon.

We have, for several years, been keeping a pictorial history of the group. Volume I of the picture album is about filled. We always appreciate pictures from workshops and demonstrations. In particular, we need entries for 1994. Does anyone have a picture of John Timm from the Irish Ethnic Sunday? Keep those cameras handy!

The Council is planning a meeting in the near future. Let me know if you have any concerns, suggestions or burning issues for us to consider.

Meanwhile-----keep dancing. We miss you if you don't come! (And you miss out on the fun.)
