Leslie reported we may have to pay for hall use on Sat. but has not been confirmed yet. (Possible cost of \$50 to \$100) Sunday date has been traded for with other Clubs.

We have reserved the hall for Sat. from 9:00 AM to 7:00 PM. We must be out by 7:00 PM.

Joanne suggested that, if possible, an extra discount on packages for MVFD members be considered. This will be taken into consideration if we get a Grant thru the Dayton Dance Partners.

Joanne reported that she had contacted Mr. Owens of the Ethnic Band from Michigan about being with us on our Ethnic Sunday in Nov. 1995 to play live music. The fee for the Band is \$240.00. Outsiders who attend will be charged \$3.00 each. Time is 2:30 PM to 5:30 PM with carry-in dinner to follow. More information to come.

Meeting adjourned 8:00 PM

Respectfully Submitted  
John Puterbaugh, Secretary

*Okay for General Public*

Last year's Romanian workshop we charged \$4.50 per session, \$7.50 for dinner, \$2.00 for syllabus, for a total of \$27.50, package \$25.00, member package \$20.00?

The major costs for the French workshop are

instructor	\$500
airfare	\$114
hall	\$100 ??? don't know yet if we'll have to pay for Sat (\$50 or \$100)
flyers	\$280 (700 * .04)
<u>syllabi</u>	<u>\$150 (70 * 20 pp * 2 sides * .04)</u>
total	\$1144

Estimated income

30 packages	\$630	(30 * 21.00)
40 singles	\$200	
<u>30 syllabi</u>	<u>\$60</u>	
total	\$890	

We have applied for a grant, through Dayton Dance Partners, which I hope will be large enough to offset the projected deficit and allow us to further reduce the price of the workshop for members. Michael Lippert of Dayton Dance Partners has promised me there will be some money for us. Amount of grant will be somewhere between \$200 and \$1000, but we won't know until sometime in June. If we get more money, I intend to give some of it to Cityfolk for letting us use the band during the workshop.
