Dear Mr. Bekooy:

I have spoken with Bart Carpenter who has indicated your willingness to do our fall workshop on November 8 and 9, 1997. This workshop will commemorate the 45th anniversary of the Miami Valley Folk Dancers. He also indicated your fee for this event will be \$500 and that we could discuss travel reimbursement later. We plan to house you with one of our members.

This event will include a preview on our regular Thursday, November 6, 1997. Your teaching times for that evening will be 7:30 to 8 and 9 to 9:30. The first half-hour is a part of our regular beginner teaching time and the later half-hour is our regular review time.

The weekend will consist of Saturday morning and Saturday afternoon teaching sessions with a review at the evening party and a Sunday afternoon teaching/review session. Each session will be about 2½ to 3 hours in length with breaks for refreshments. We will determine exact times later.

We would like a good mixture of partner and no partner dances from various countries: in other words, a good international mix. We would also like to have some dance notes to put in a syllabus format for inclusion with the weekend package. Bart thought you might have this material for us by the end of September which would allow us time for reproduction.

Thank you again for agreeing to be a part of this 45th anniversary workshop.

Sincerely,

Mrs. Louis H. Hyll
