

Ed Cordray's Graduation Party Photos

Ed Cordray's Graduation Party, June, 2001 Photo Album

Ed Cordray has been a member for ten years (ever since he married Leslie and moved to Dayton). Leslie made him go back to school and now he has finally graduated!

Here is the graduate with his proud parents, Hiram and Arden Pierce

Vatra Ziva played for the party. (Leslie spares no expense - the lady on the left is her sister, Dona. Family works cheap.)

Dancing

More Dancing

. . . . Eating

. . . . Not cleaning up
