Hi Dolores -

If you would like to submit an article, we would be glad to put it in the next issue of The Living Arts. I would need an article 150-250 words. We would also like to receive photos that we can use with the article. The next issue will come out in Mid-September and I would need to have the article no later than May 17.

If you have any additional questions, please do not hesitate to contact me at 937.222.2787 or send me an email.

Dear Editor:

I represent the Miami Valley Folk Dancers who are members of the Miami Valley Dance Council as well as Culture Works. In November, 2002, we will begin a year-long celebration of our 50th Anniversary. Our organization was founded in 1952 by Michael Solomon, a recreation employee for the City of Dayton, Recreation Department. We currently have over 75 members many of whom actively participate in our weekly dances and special workshops held at the Michael Solomon Pavilion. We will officially begin our anniversary celebration at our annual Tri-City Workshop to be held on Saturday, November 9, 2002. Because we are one of the oldest organized dance groups in the area, we thought you may be interested in featuring us in your publication.

I look forward to hearing from you.

Sincerely,
Dolores Brooks
