Željko Jergan

Željko Jergan is a renowned choreographer and teacher throughout the world. Since moving to the United States in 1986, Željko has created over 400 original choreographies for 90 different amateur, semi-professional, and professional ensembles.

When he's not researching and creating new choreographies, Željko stays extremely busy working with the international folk dance community, where he is in popular demand for his depth and style in teaching Croatian folk dancing. He has traveled extensively both domestically and abroad,

including folk dance seminars and workshops in the United States, Canada, Europe, Japan and Taiwan.

Željko has made a significant contribution to the Canadian Croatian folklore community, where he has been sought year after year to create original new choreographies for both the eastern and western Canadian Croatian Folklore Festivals.

A native of Varaždin, Croatia, Željko was a leading performer with the Croatian National Folk Ensemble LADO for twelve years. He also performed with the Zagreb National Ballet and Modern Dance Companies for several years.

Joan Amsterdam's "International Folk Rhythms" shop will be set up with a wide variety of folk music, clothing, and articles for sale.
