Cristian Florescu & Sonia Dion

are known for their vibrant energy, warmth and exciting choice of dances and music. Cristian has danced with, and choreographed for, many Romanian folk ensembles and has studied with various specialists including Theodor Vasilescu. In 1993 Cristian joined Les Sortilèges, a professional folk dance company based in Montreal, Canada, where he has danced, taught and choreographed. Sonia, in the course of her 20 years with the same company, was lead dancer, choreographer and artistic

director, among other roles. It was at Les Sortilèges that the two met and formed a professional and personal partnership. In recent years, they have been teaching recreational folk dance workshops in Canada, Japan, Norway, Taiwan and the U.S., sharing their love of Romanian folk traditions.
